We continue to organise various extra-curricular activities to ensure that all students are afforded the opportunities to maximise their potential, whether they are local or from mainland and abroad. Our student body is becoming more diverse, and we cherish this diversity for the richness it brings. For many years, our students have been performing impressively in musical events, undertaking internships in private corporations and non-governmental organisations, and participating in projects to help underprivileged groups and individuals. The College is now developing new programmes and courses to enrich our students' learning experiences, to enhance their academic endeavours, and to consolidate their career marketability. In fact, while many students pursue further studies, those who have opted for vocational pathways have been praised by their employers for their versatility, problem-solving skills, and professional attitudes.

Students' learning at HKU SPACE Community College is not only academic but also practical and multi-dimensional. Our Student Development and Counselling Services team has organised regular activities to foster personal growth, self-discovery, and networking. In addition to the activities of our Students Union and various interest societies, students can either serve as Student Ambassadors or join the Mentorship Scheme.

升學策略 Q & A

Your Choices of Further Studies

中學畢業生出路多，無論成績如何，總有升學機會及選擇。
No matter what results you get, there are always chances and choices.

我的DSE成績...
My DSE result...

5*543

成績理想
Congratulations and well-done!

如獲派心儀JUPAS Offer，緊記於JUPAS 放榜後2日內繳交港幣5,000 元留位費。

Receive a desirable offer in JUPAS main round: Pay the \$5,000 acceptance fee within two days.

3322

DSE成績符合大學最低入學門檻 (即3322) 但沒有JUPAS offer，又或獲派JUPAS offer未如理想，有什麼升學選擇？

If I meet the university's minimum entrance requirements but do not receive any offers from JUPAS, what choices do I have?

你可以選擇：

1. 副學士 (AD) 或高級文憑 (HD) 課程

持AD/HD學歷可以透過非聯招 (Non-JUPAS) 申請入讀八大的第三年課程 (即高年級學額 UGC-funded Senior Year Places)。2023年八大的高年級學額有5,000名。

一年級同學亦可以申請入讀八大的一年級課程。每年香港大學附屬學院均有相當數目的一年級學生憑此途徑順利升學。

或

2. 自資學士學位課程

自資學士學位課程大部份是四年制，坊間也有非本地自資學士學位課程，修讀年期不一。選擇自資學位時要特別留意學費、修讀年期、認受性及有關院校的教學質量及世界排名等等。

You can apply for

1. Associate Degree (AD) or Higher Diploma (HD) programmes

AD/HD graduates can apply for admission to year 3 of UGC-funded degree programmes. There are 5,000 UGC-funded senior places in 2023.

Some of our students are admitted to Year 1 of a degree programme at UGC-funded universities after completing their first-year study.

or

2. Self-financed (SF) Degree programmes

Most self-financed degree programmes are of 4-year duration. Non-local programmes may have different duration. Students should pay attention to their tuition fee, duration of study, accreditation, teaching quality, world ranking and etc when making decision.

22222

DSE成績不符合大學最低入學門檻，但有22222 (包括中、英文)，有什麼升學選擇？

I do not meet the minimum entrance requirements of universities, but I obtain level 2 in 5 subjects (including Chinese and English Language). What choices do I have?

你可以選擇副學士或高級文憑課程。

副學位升學選擇多，**第二年**可經非聯招申請入讀八大的第三年課程；**一年級**同學亦可以申請入讀八大的一年級課程。每年香港大學附屬學院均有相當數目的一年級學生憑此途徑順利升學。

You can apply for AD and HD programmes.

Graduates can apply for admission to Year 3 of UGC-funded degree programme through Non-JUPAS. Some of our students are admitted to Year 1 of a degree programme at UGC-funded universities after completing their first-year study.

強差人意
There are always ways out.
Keep Calm!

萬一DSE成績達不到5科二級，也不用灰心，可以考慮報讀資歷架構第三級課程，如基礎文憑課程、應用教育文憑等，只需一年時間，即可升讀副學位課程，再闖大學之路。

If you don't have Level 2 in 5 subjects, you may apply for programmes at QF Level 3, for examples, Diploma in Foundation Studies or Diploma of Applied Education, and apply for admission to AD/HD after 1 year of study. There are always opportunities to study a bachelor's degree.

提醒你...
Some tips for you...

要明白JUPAS有幾類Offer Different JUPAS offers

包括八大教資會資助 (UGC-funded) 學士及副學位課程、指定專業/界別課程資助計劃 (SSSDP「資助計劃」) 課程、都會大學自資課程。同學要留意當中分別！

They include UGC-funded degree programmes, sub-degree programmes, SSSDP programmes and HKMU self-financing programmes. You should pay attention to the differences!

學費知多少 Knowing more about the tuition fees

無論經副學位 (兩年) 再升讀八大學士課程 (兩年)，或入讀四年制自資學士學位課程，一般的學費總和相約。選擇副學位的好處是擁有多元升學出路：進 - 升讀八大、守 - 銜接自資。

The tuition fees are comparable no matter you choose to study 4-year self-financing (SF) degree or UGC-funded degree (2 years) via AD/HD (2 years). Sub-degree programme is more flexible in progression to UGC-funded degree programme or top-up degree programme.

學費比較 Comparison of tuition fees* :

四年級 Yr 4 三年級 Yr 3	八大資助學士學位 高年級 UGC-funded Senior Year Places HK\$ 42,100/year	兩年銜接自資學位 Top-up degree programme offered by SF Institution HK\$ 82,000/year	四年制自資學士 學位 4-year SF degree programme HK\$ 82,000/year
二年級 Yr 2 一年級 Yr 1	副學士/高級文憑 AD/HD HK\$ 60,000/year

* 數字只供參考，每所院校學費或有不同。

The figures are for reference only. Tuition fees of respective institutions may vary.

學費總額已減去政府每年33,740元的資助。

政府為修讀香港自資學士學位課程學生提供的免入息審查資助計劃，提供每年33,740元的免入息審查資助予合資格學生。資助計劃亦涵蓋完成副學士或高級文憑並升讀相關自資學士學位課程的同學。有關被列入資助計劃的自資院校名單及資助計劃詳情，請瀏覽教育局網頁 <https://www.cspe.edu.hk/tc/nmt/index.html>。

The total tuition fees have deducted the annual subsidy of HK\$33,740 from HKSAR.

The HKSAR government provides HK\$33,740 non-means-tested subsidy for students studying self-financing degrees in Hong Kong. Students who progress to self-financing degree after completing 2-year AD/HD programmes are also entitled to receive the subsidy from the scheme. For the list of eligible Self-financing institutions and the details of the subsidy scheme, please refer to EDB's website <https://www.cspe.edu.hk/tc/nmt/index.html>.

完成副學位後升讀八大的機會大嗎？ Is the chance of articulating to UGC-funded degree programmes after completing AD/HD high?

2023/24年度八大高年級學士學額為5,000個，只供副學位畢業生報讀。由此途徑升學和經聯招入讀八大一樣，仍然可以用四年時間（2年副學位課程+2年高年級學士學位課程）完成八大資助學士學位課程。

There are 5,000 UGC-funded senior year places for 2023/24, exclusively for AD/HD graduates to apply. Students normally complete a full-time UGC-funded degree programme in 4 years (2 years in sub-degree and 2 years in senior years of bachelor's degree).

2221

各類基礎課程的門檻 Entrance requirements for different Foundation Programmes

應用教育文憑不設最低入學分數，而部份基礎文憑課程則設最低入學要求，例如6分，雖然門檻稍高，但好處是讓成績接近的同學一起學習，向下一個目標進發。

Diploma of Applied Education has no minimum requirement while some foundation programmes require at least 6 points in DSE. The advantage of the latter is to put similar students together for common goal.
