陳龍生教授 Professor L S Chan

香港大學附屬學院致力成為區內副學位教育機構的翹楚，自2000年成立以來，學院已培育逾38,000名畢業生，約26,000人升讀學士學位課程，其中超過13,000人就讀教資會資助的院校，包括4,420位成功入讀香港大學的同學。

學院提供全方位的課程，為學生銜接至大學打下堅實基礎。課程中的體驗式學習科目，讓同學運用所學知識與概念，於真實處境中解決問題。副學士課程中的核心課程糅合跨學科元素，助學生洞察日常生活中各式議題之間的關聯性。而大部份高級文憑課程更獲得業界大力支持，提供機會讓同學在實踐中學習。

疫症期間，學院迅速應變，透過改善課室的設施及調節教學方式，大大提升遙距教學的能力與配套。我非常有信心，學生的學習未有因疫症而受嚴重影響，學院更進一步蛻變為現代教育的先驅，更著重學生的參與度、老師與同學的互動，有效地結合網上和真人學習。

十指有長短，各自不相同，學習模式亦因人而異。為此，學院努力不懈，發展創新的課內及課外活動，確保同學有機會在挑戰中發揮潛能。多年來，我們的學生在公開音樂劇演出、在企業進行探索式學習，以及參與幫助弱勢社群的項目等。學院將持續引入新課程，以加強學生的學術素養與就業能力，並探尋更多方法拓闊學習模式，打破時間與空間的界限。

港大附屬學院協助學生多方面發展，我們的學生輔助及個人發展服務團隊定期舉辦活動，促進同學的個人成長、自我發現、建立人際網路，及加強職場競爭力。除學生會和不同社團的活動外，同學亦可擔任學生大使，或參加師友計劃等。學院將繼續竭盡所能，為學生開拓更光明的前途。

HKU SPACE Community College resolves to become the leading provider of sub-degree programmes in the region. Since its inception in 2000, the College has produced 38,000 graduates. Over 26,000 of our graduates progressed onto degree programmes, with about 13,000 in UGC institutions and including 4,420 in The University of Hong Kong.

The College offers a comprehensive curriculum to prepare students for the rigours of degree education. The Experiential Learning component enables students to apply learned skills and concepts to tackle authentic situations, while the Core Curriculum of Associate Degree programmes comprises transdisciplinary courses aimed at providing students with insight into the interconnectedness of everyday issues. Many of our Higher Diploma programmes have received support from industrial partners in providing practical learning experience to our students.

During the pandemic, the College responded swiftly to expand its distance learning capacity by upgrading all classroom teaching stations and by adjusting our teaching pedagogies. I can confidently say that our students' academic progress has not been severely impacted by the pandemic. In fact, the College is emerging as a leader of modern education with emphases on student engagement and teacher-learner interaction, effectively integrating online and in-person learning.

We recognise not all students learn in the same way and we respect such diversity. This is reflected in our continued efforts to develop innovative co- and extra-curricular activities to ensure all students are suitably challenged and afforded opportunities to realise their potential. For many years, our students performed publicly in musicals, undertook inquiry learning in companies, and participated in projects to aid underprivileged groups. The College will continue to develop new programmes and courses to enhance our students' academic prowess and employability, and we are now exploring means of extending learning programmes beyond the confines of time and space.

Learning in HKU SPACE Community College is multi-dimensional. Our Student Development and Counselling Services team organises regular activities to foster personal growth, self-discovery, networking, and career marketability. In addition to the activities of the Students Union and various interest societies, students may serve as Student Ambassadors or join the Mentorship Scheme. We are committed to paving the way to a bright future.

升學策略 Q & A

Your Choices of Further Studies

中學畢業生出路多，無論成績如何，總有升學機會及選擇。
No matter what results you get, there are always chances and choices.

我的DSE成績...
My DSE result...

5*543

成績理想
Congratulations and well-done!

如獲派心儀JUPAS Offer，緊記於JUPAS 放榜後2日內繳交港幣5,000 元留位費。

Receive a desirable offer in JUPAS main round: Pay the \$5,000 acceptance fee within two days.

3322

DSE成績符合大學最低入學門檻（即3322）但沒有JUPAS offer，又或獲派JUPAS offer未如理想，有什麼升學選擇？

If I meet the university's minimum entrance requirements but do not receive any offers from JUPAS, what choices do I have?

你可以選擇：

1. 副學士 (AD) 或高級文憑 (HD) 課程

持AD/HD學歷可以透過非聯招 (Non-JUPAS) 申請入讀八大的第三年課程（即高年級學額 UGC-funded Senior Year Places）。2021年八大的高年級學額有5,000名。

一年級同學亦可以申請入讀八大的一年級課程。每年香港大學附屬學院均有相當數目的一年級學生憑此途徑順利升學。

或

2. 自資學士學位課程

自資學士學位課程大部份是四年制，坊間也有非本地自資學士學位課程，修讀年期不一。選擇自資學位時要特別留意學費、修讀年期、認受性及有關院校的教學質量及世界排名等等。

You can apply for

1. Associate Degree (AD) or Higher Diploma (HD) programmes

AD/HD graduates can apply for admission to year 3 of UGC-funded degree programmes. There are 5,000 UGC-funded senior places in 2021.

Some of our students are admitted to Year 1 of a degree programme at UGC-funded universities after completing their first-year study.

or

2. Self-financed (SF) Degree programmes

Most self-financed degree programmes are of 4-year duration. Non-local programmes may have different duration. Students should pay attention to their tuition fee, duration of study, accreditation, teaching quality, world ranking and etc when making decision.

22222

DSE成績不符合大學最低入學門檻，但有22222（包括中、英文），有什麼升學選擇？

I do not meet the minimum entrance requirements of universities, but I obtain level 2 in 5 subjects (including Chinese and English Language). What choices do I have?

你可以選擇副學士或高級文憑課程。

副學位升學選擇多，**第二年**可經非聯招申請入讀八大的第三年課程；**一年級**同學亦可以申請入讀八大的一年級課程。每年香港大學附屬學院均有相當數目的一年級學生憑此途徑順利升學。

You can apply for AD and HD programmes.

Graduates can apply for admission to Year 3 of UGC-funded degree programme through Non-JUPAS. Some of our students are admitted to Year 1 of a degree programme at UGC-funded universities after completing their first-year study.

強差人意
There are always ways out.
Keep Calm!

萬一DSE成績達不到5科二級，也不用灰心，可以考慮報讀資歷架構第三級課程，如基礎文憑課程、毅進文憑等，只需一年時間，即可升讀副學位課程，再闖大學之路。

If you don't have Level 2 in 5 subjects, you may apply for programmes at QF Level 3, for examples, Diploma in Foundation Studies or Diploma Yi Jin, and apply for admission to AD/HD after 1 year of study. There are always opportunities to study a bachelor's degree.

提提你...
Some tips for you...

5*543

要明白JUPAS有幾類Offer Different JUPAS offers

包括八大教資會資助 (UGC-funded) 學士及副學位課程、指定專業/界別課程資助計劃 (SSSDP「資助計劃」) 課程、自資公大課程。同學要留意當中分別!

They include UGC-funded degree programmes, sub-degree programmes, SSSDP programmes and OUHK self-financing programmes. You should pay attention to the differences!

3322

學費知多少 Knowing more about the tuition fees

無論經副學位 (兩年) 再升讀八大學士課程 (兩年), 或入讀四年制自資學士學位課程, 一般的學費總和相約。選擇副學位的好處是擁有多元升學出路, **進** - 升讀八大、**守** - 銜接自資。

The tuition fees are comparable no matter you choose to study 4-year self-financing (SF) degree or UGC-funded degree (2 years) via AD/HD (2 years). Sub-degree programme is more flexible in progression to UGC-funded degree programme or Top-up degree programme.

學費比較 Comparison of tuition fees* :

四年級 Yr 4 三年級 Yr 3	八大資助學士學位 高年級 UGC-funded Senior Year Places HK\$ 42,100/year	兩年銜接自資學位 Top-up degree programme offered by SF Institution HK\$ 80,000/year	四年制自資學士 學位 4-year SF degree programme HK\$ 80,000/year
二年級 Yr 2 一年級 Yr 1	副學士/高級文憑 AD/HD HK\$ 57,000/year		
四年學費總額 Total tuition fees in 4 years	~HK\$ 198,000	~HK\$ 214,000*	~HK\$ 200,000*

* 數字只供參考, 每所院校學費或有不同。

The figures are for reference only. Tuition fees of respective institutions may vary.

* 學費總額已減去政府每年33,100元的資助。

政府為修讀香港自資學士學位課程學生提供的免入息審查資助計劃, 提供每年33,100元的免入息審查資助予合資格學生。資助計劃亦涵蓋完成副學士或高級文憑並升讀相關自資學士學位課程的同學。有關被列入資助計劃的自資院校名單及資助計劃詳情, 請瀏覽教育局網頁 <https://www.cspe.edu.hk/tc/nmt-annual-subsidy.html>。

The total tuition fees have deducted the annual subsidy of HK\$33,100 from HKSAR.

The HKSAR government provides HK\$33,100 non-means-tested subsidy for students studying self-financing degrees in Hong Kong. Students who progress to self-financing degree after completing 2-year AD/HD programmes are also entitled to receive the subsidy from the scheme. For the list of eligible Self-financing institutions and the details of the subsidy scheme, please refer to EDB's website <https://www.cspe.edu.hk/en/nmt-annual-subsidy.html> for details.

3322

完成副學位後升讀八大的機會大嗎?

22222

Is the chance of articulating to UGC-funded degree programmes after completing AD/HD high?

2021/22年度八大高年級學士學額為5,000個, 只供副學位畢業生報讀。由此途徑升學和經聯招入讀八大一樣, 仍然可以用四年時間 (2年副學位課程+2年高年級學士學位課程) 完成八大資助學士學位課程。

There are 5,000 UGC-funded senior year places for 2021/22, exclusively for AD/HD graduates to apply. Students normally complete a full-time UGC-funded degree programme in 4 years (2 years in sub-degree and 2 years in senior years of bachelor's degree).

2221

各類基礎課程的門檻 Entrance requirements for different Foundation Programmes

毅進文憑不設最低入學分數, 而部份基礎文憑課程則設最低入要求, 例如6分, 雖然門檻稍高, 但好處是讓成績接近的同學一起學習, 向下一個目標進發。

Diploma Yin Jin has no minimum requirement while some foundation programmes require at least 6 points in DSE. The advantage of the later is to put similar students together for common goal.

“Studying at HKU SPACE CC was a meaningful and interesting experience for me. Not only did I acquire useful knowledge from lecturers, but also built up friendships with my schoolmates. During my 2 years of study, lecturers provided lots of advice and helped me when I faced difficulties in my academic studies and career development. Also, there were different societies and clubs for students to participate in. I was glad to be one of the executive committee members in the Business Society and tried to help newcomers adapt to the College life. I have no regrets in choosing HKU SPACE CC as the stepping-stone to university, and assure you that you will gain much more than you expect by studying at HKU SPACE CC!”
