Admissions Exercise: 2017 JUPAS Admission
 Application No.: 12345678

SAMPLE

Offer Results [Help](#)

i You have **PAID** the acceptance fee of HK\$5,000 for the offer as shown below.

The acceptance fee is collected by the JUPAS Office on behalf of the institution offering you admission, and is not refundable or transferable to another year / other application.

This offer is the **BEST AND ONLY** offer to be made in the same academic year (2017 – 2018) and is of the highest possible priority on your programme choice list. Therefore, you will **NOT** be reconsidered for admission to any other programmes offered under JUPAS in the same academic year (2017 – 2018), regardless of whether the Main Round offer is a UGC-funded institution programme, an OUHK self-financing programme or an SSSDP programme.

You **must complete the registration / enrolment procedures** during the designated period as specified by the institution offering you admission after you have paid your acceptance fee. If you fail to complete the registration / enrolment procedures after payment of the acceptance fee, you will be regarded as having declined your Main Round offer. You will **NOT** be reconsidered for admission to any other programmes offered under JUPAS in the same academic year (2017 – 2018). Any fees paid will not be refunded or transferred to another year / other application. Please click the **"Details"** button under **"Registration / Enrolment Procedures"** for the required procedures.

NOTE:
Application via JUPAS in the 2018 Cycle

Applicants who have accepted the Main Round offers and **are subsequently enrolled in full-time bachelor's degree programmes offered under JUPAS**, regardless of whether they wish to apply for admission on the strength of their HKDSE Examination results, are **NOT ELIGIBLE** to apply via JUPAS in the 2018 cycle.

If they apply via JUPAS, they will be required to withdraw from the JUPAS participating-institutions / the SSSDP institutions.

Please refer to the [JUPAS website](#) for further details.
